Coloma Public Library Mobile Hotspot

Instructions for Use:

- 1. To turn on, press and hold the button for 2-4 seconds. If hotspot does not turn on, it may need charging.**
- 2. Wait for the hotspot to complete its startup. It may take up to a minute or two for it to establish a network connection.**
- 3. On your computer or other Wi-Fi enabled device, search for available Wi-Fi networks and select the hotspot name found on the back of the hotspot.**
- 4. Enter the network password which can be found on the back of the hotspot. The password is case sensitive.**
- 5. When you are finished using the hotspot, press and hold the power button until the display shows "Goodbye".**
